WARCKS

"ATTACK"

"DEFENSE"

"MONEY"

"STRATEGY"

"TIKI-TAKA SHIP"

"ROCKET"

"TOWER OF POWER"

GAME ACTIONS:

-Place a Tower
By presenting 3 cards MONEY, STRATEGY, and DEFENSE, the player can take a "TOWER" card and place it beside them, with the side WITHOUT a flag face up.

-Raise the Flag
The player presents 2 "STRATEGY" cards to flip one of their "TOWERS" to reveal the flag, while their Warcks celebrate. Towers with flags CANNOT be destroyed or stolen.

-Take a Tower from Another Player
The player presents 2 "STRATEGY" cards to attempt to steal a "TOWER" from any opponent (without a flag). The opponent can defend by presenting 2 "DEFENSE" cards or an "ATTACK" card to counter the attempt.

-Destroy a Tower of Another Player
The player plays an ATTACK card and can destroy a tower without a flag, returning it to its original location.
The opponent can defend themselves by playing 2 DEFENSE cards or, if they use 2 MONEY cards, they can redirect the attack to any player.
The ATTACK card will be discarded from the deck once used and cannot be reused until the next game.
There are only 7, so use them wisely!

Rocket

The ROCKET has two actions:

1. It can flip over a tower WITHOUT a flag and release the Warcks celebrating.
2. If you have the MONEY, STRATEGY, and SKILL cards along with the ROCKET, you can build a TOWER and place the flag automatically.

Tiki-Taka Boat

The player can use the TIKI-TAKA BOAT card as a wild card as they see fit.
If used as an ATTACK card, it will be discarded from the deck.
